RE: South Carolina Electric & Gas Company – Request for Allowable Ex Parte Briefing; NDI-2014-3-E

Dear Ms. Boyd:

On January 9, 2014, South Carolina Electric & Gas Company ("SCE&G") requested an allowable ex parte communication briefing before Public Service Commission of South Carolina ("Commission") to discuss the events of January 7, 2014, that impacted SCE&G's electric system. The briefing is scheduled to take place this Wednesday, January 29, 2014. However, in light of forecasts of inclement weather across much of its service territory this week, SCE&G respectfully requests that the Commission reschedule the briefing so that SCE&G can concentrate its efforts on preparing for and responding to the forecasted inclement weather. After the inclement weather has passed, SCE&G will consult with Commission staff and the South Carolina Office of Regulatory Staff to determine a suitable date and time to reschedule the briefing concerning the events of January 7, 2014.

If you have any questions, please advise.

Very truly yours,

Matthew W. Gissendanner
